

### **A MESSAGE FROM THE CENTER LINE FESTIVAL FOUNDATION**

**May 4, 2020**

**Due to the ongoing “Stay Home, Stay Safe” Executive Order from Governor Gretchen Whitmer, and the public health crisis, the Center Line Festival Foundation has regretfully decided to cancel the 2020 Center Line Independence Festival, which was scheduled June 5-7, 2020 at Memorial Park in Center Line. The Center Line Independence Festival will return June 4-6, 2021, with all the great activities, events, live free bands, and so much more...**

**The Center Line Festival Foundation is currently in the planning stages of next year’s event, which will include Cruisin’ 53 and carnival rides on Van Dyke Avenue. We are also in the midst of organizing our newest event for the community, the Center Line BeerFest, which will be held September 12, 2020 in Memorial Park. Center Line BeerFest will offer you some of the area’s best craft brews, domestic brands, and home brews. There will also be live entertainment, games and great food. Watch for updates regarding BeerFest at [www.centerlinefestival.org](http://www.centerlinefestival.org) or [www.centeline.gov](http://www.centeline.gov)...**

**We look forward to seeing you in Center Line soon!**

**Center Line Festival Foundation**
