- 1. **ELECTRICAL PERMIT FEE SCHEDULE**
 - a. All permits shall be assessed a non-refundable application fee of \$20.00
 - b. The Permit Fees for any electrical permit shall be \$70.00 per inspection. One inspection and the administration fee are required on all permits. Permit renewals shall be \$30.00. Permit fees are non-refundable after work has started and non-transferable.
 - c. Contractor registration fee shall be \$30.00 for electrical (all categories).
 - d. Permits for new construction shall be for the minimum number of inspections required in Section 2.

- e. All investigative fees equal to the permit fee, shall be assessed if a permit was not issued prior to commencement of work.
- f. A fee of \$50.00 per inspection shall be charged for the re-inspection of all failed inspections.

2. INSPECTIONS: MINIMUM NUMBER AND WHEN REQUIRED

- a. Electrical: Single-Family Residential

For new construction a minimum of three inspections are required, a service, rough, and final inspection. An additional inspection shall be required if temporary service is provided.

Remodels shall require a minimum of two inspections, a rough and a final. For all other types or work of this class, inspections shall be required for each visit required from the electrical inspector.

- b. Electrical: Multiple-Family, Commercial, Industrial

For a multiple-family structure or multi-tenant commercial or industrial building, a minimum of two inspections, a rough and a final, shall be required for each designed unit in such a structure. An inspection shall also be required for the service.

For all other buildings of this class, inspections shall be required for each visit required from the electrical inspector. The inspector shall estimate the number of visits required.

A separate inspection shall be required for temporary service.
