

Sec. 14-380. - Purpose

- a. From time to time there are structures within the City of Center Line that are not in compliance with its ordinances, have become a threat to life and property or are vacant or abandoned. Therefore, the City of Center Line states as follows:
- i. Noncomplying structures must promptly be made safe and secure to protect the public safety.
 - ii. Noncomplying structures are dangerous and unsafe in that they are extremely vulnerable to fire, flooding, collapse or other hazards.
 - iii. Noncomplying structures are a blight on their neighborhoods, cause deterioration and instability in their neighborhoods and have an adverse impact on other properties.
 - iv. Structures that were previously used or occupied and have since become vacant have a significant and detrimental impact on the local real estate market.
 - v. Structures that are vacant and not properly secured attract vagrants and criminals and are prime locations to conduct illegal activities, including arson and drug use.
 - vi. Structures that are vacant and unsecured pose serious threats to the public's health and safety and therefore are public nuisances.
 - vii. Immediate abatement of these hazards or rehabilitation of these structures is necessary to prevent unsightly blight and the deterioration of neighborhoods with the consequent adverse impact on the value of adjacent and nearby properties. Such actions are also necessary to secure the public safety and to ensure and enhance the vitality and livability of our neighborhoods.
 - viii. Communication between owners of noncomplying structures and the city is essential for effective allocation of public resources and the maintenance of public health, welfare and safety in regards to such structures.
- b. The ordinance provides for the administration, enforcement, including abatement of public nuisances, and imposition of penalties associated with noncomplying and vacant structures.
