AREA MAINTENANCE METERS

The City of Center Line has available to its residents on metered municipal water, an area maintenance meter. This meter, when purchased by the residents, will allow them to use water for outside watering purposes without being assessed a sewer charge. Before purchasing, you should review the City's Ordinance (Article III, Division 1, Sections 74-61 through 74-71), as there is no guarantee that the meter and reduced rates will always be available.

Before a meter can be purchased, an Area Maintenance Meter Agreement must be entered into between the property owners of record and the City of Center Line. Prior to signing the Agreement, the City must be provided with proof of ownership of the land by:

1. Warranty Deed (as recorded at Macomb County Register of Deeds Office, including Liber and Page Number) or,
2. Title Insurance Policy (this must be the actual policy) **NOT** the commitment for the title insurance, issued at closing.

All parties listed on the Deed or Title Policy must enter into the Agreement. Their signatures must be witnessed and notarized in the City Offices. The Agreement will be recorded for your property. Payment for the Area Maintenance Meter will be accepted only upon completion of the Agreement by **all** parties.

*The price schedule is:

Meter 5/8"	\$214.00
Meter 3/4"	By quote
1" Meter	By quote
Large than 1"	By quote
Recording (Agreement Fee)	\$ 3.00 1 st page \$ 2.00 each additional page

*(Does not include plumbing permit fee)

An inspection of the plumbing and template installation for the Area Maintenance Meter will be required before a meter will be installed. This inspection can be scheduled upon receipt of a call from the property owner when he/she is ready for same.

Once an inspection has been approved by the Building Department the Department of Public Works will contact the homeowner for the scheduling of the meter installation. Meter installation will be scheduled by appointment.

We require 24-hour notice for an inspection appointment.

24-hour notice is required for any cancellation on the part of the homeowner, either for inspection or installation.

Any questions relative to Area Maintenance Meters should be directed to the City of Center Line Municipal Offices at (586) 757-6800.

A handwritten signature in black ink, appearing to read "D. Champine", written in a cursive style.
